FOREWORD

As you turn the pages of the 1952 Sequoyah the activities and daily experiences of the students of Fair Park High School appear. Pictures of friends and their association together are placed before you in hopes that, not only today but in years to come, you will be pleased that you were one of Fair Park's students this year.

OUR THEME

The theme throughout the 1952 Sequoyah is the recognition of the fine qualities of the students as individuals. Each person contributes something to the daily life of others. Each one seeks something from another regardless of age.

With this in mind the division pages and illustrations have been planned. The freshman who meets new situations with inquisitiveness and awe but good cheer and willingness; the sophomore who is determined to come to class with his assignments, and with courage faces his illness and handicaps but whose sense of humor relieves tense moments, take their places. The junior who dreams of choosing a vocation but recognizes lessons are important while experimenting with extra-curricular activities; and the senior who displays grace and adaptation when concerned with underclassmen, these all blend into school life at Fair Park.

MARDI GRAS

Excitement was in the air as the sound of trumpets heralded the beginning of the 1952 Mardi Gras celebration at Fair Park. The Ladies of the Court, gowned in iridescent pastel taffeta and escorted by their Lords, were first to make their appearance. The Jester amused the audience and attendants with his antics. At last, amid hushed whispers, King Charles and Queen Linda made their entrance and the coronation followed. After the program ended the court attended the ball which was given in their honor.

The stage settings and decorations were made by the Woodwork and Art departments. The originality, beauty and splendor of the occasion was chiefly due to the supervision of Mrs. Ruth Johns, Mr. Earl Turner and Mrs. Ferne Turner.

Held in conjunction with the Mardi Gras celebration this year was the Student Council Carnival.

HEAD COACH

COACH PRENDERGAST

Coach Homer Prendergast, our head football coach, has been at Fair Park since 1931. His football experiences include four years in high school, four years at Auburn University and his two years of playing at various army camps. He also led the southeastern conference in punting for two years while making the "All-Conference" team at halfback. Coach Prendergast refereed the first game Fair Park ever played. When the final whistle blew the scoreboard read Marshall 99, Fair Park 0.

ASSISTANT COACHES

COACH WILSON

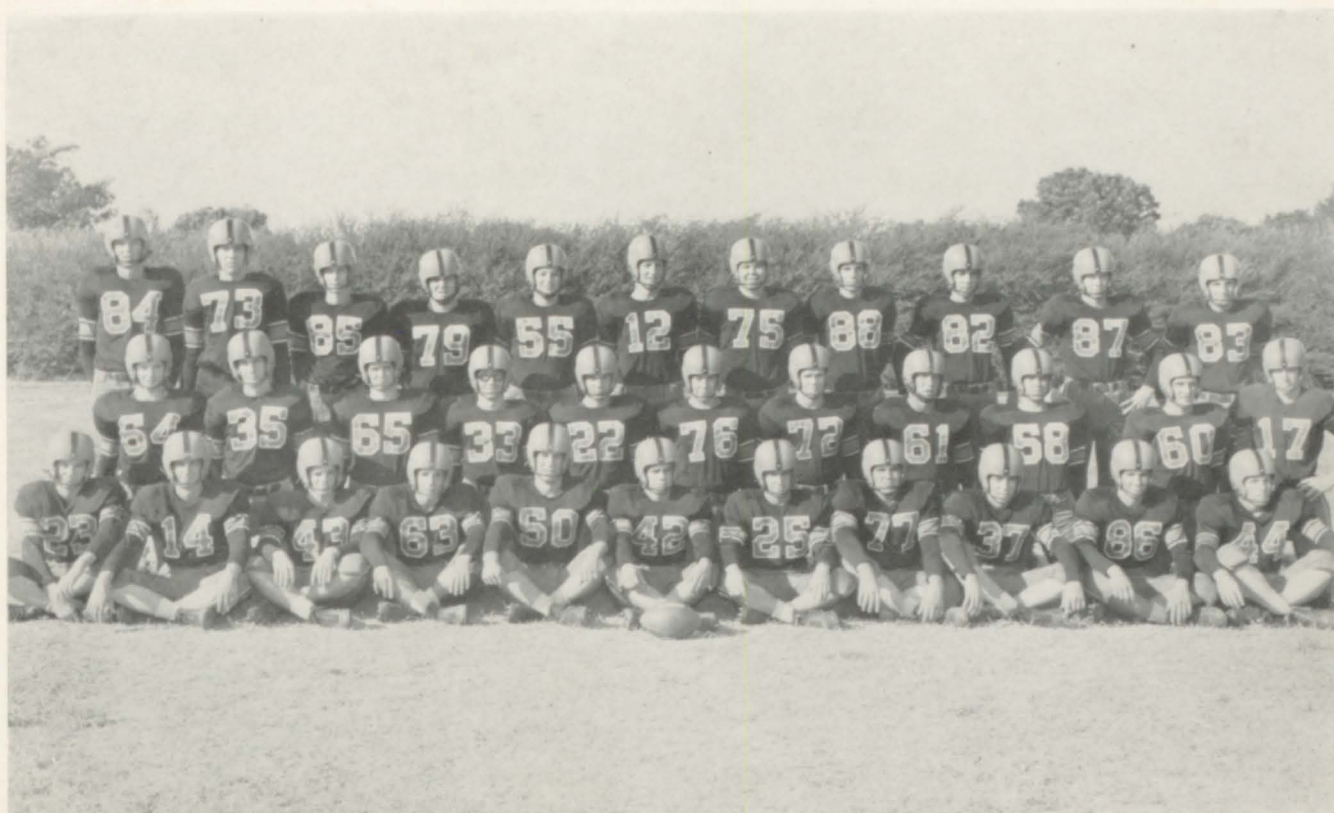

COACH HENDERSON

Coach Wilson played under Prendergast at Byrd before going to LSU where he was a star tackle and also made "All Southeastern."

Coach Henderson played for Jennings in 1939 when the tribe met them in the state AA finals. After being discharged from the Marines, Coach Henderson attended La. Tech where he won his football letter as guard. He has been here since 1948. He coaches track, football (second team) and basketball (first and second teams). He also teaches math.

Fair Park 25—Marshall 13

In 1951's inaugural tilt, the Tribe performed with the accuracy and ability of a mid-season team in downing the Mavs. For the second straight year the Black and Gold clad lads have succeeded in sending home a badly disappointed Texas eleven.

Hampton, Davis, and Stinson paved the way to victory with Hampton scoring two tallies, Davis one, and Stinson one. Davis converted once.

Indians Trounce Smackover 82-0

A heavily favored Fair Park eleven took to a muddy turf on a cloudy Thursday night and literally crushed a much weaker Smackover Team. The Tribe played everything but the waterboy and still it was all the Buckaroo's could do to sweat out a rugged 48 minutes.

Nine Redskins tallied during the contest. They were Hampton 3, Davis and Stinson 2, and Sandefur, May, Sanders, Frazier and Rice one apiece. Davis converted 10 times out of 12 tries.

Fair Park 28—Bolton 6

The Indians, although favored, found Bolton a very capable match for them from the opening kickoff. The game was very close throughout the first half with Fair Park barely leading by a 7-6 count at the rest period. Big Tom Davis scored the initial counter of the game in the second quarter. Bolton returned the following kickoff to midfield and marched swiftly down the field for their only score. In the second half the Braves from the north came to life, however, with Davis again going all the way followed by Hampton and Stinson. Davis converted four times.

Indians Down Tornado 41-0

The big boys from the west side of town had an easy night in setting down their first conference foe, Haynesville. Fair Park was again led by the big guns, Hampton, Stinson and Davis. The Braves played practically everything but the water-boy and scored in every period. Stars, other than those already recognized, were too numerous to mention. Haynesville fought until the final whistle but found the vicious Indian attack too much.

Braves Suffer First Setback From Istrouma

The Fair Park-Istrouma tilt, rated by the scribes as the game of the year, was merely a review of last year's state championship game. The same two teams, the same stars, and lacking only one touchdown on the part

of Fair Park would have exactly duplicated the game of last year. Fair Park's only tally came in the first quarter by Don Stinson. Istrouma didn't go ahead however until the final period, when they exploded for two touchdowns. The final score was Istrouma 20—Fair Park 7.

The Redskins looked rather sluggish in taking their second conference tilt. Gibson opened the scoring column in the first quarter on a pass from May. The second six-pointer came when Hampton tip-toed through the Lions' defense in the second quarter. Both teams were idle as far as scoring was concerned in the third period. Hampton got the last quarter rolling in the right direction though by again crossing the double stripe. Ouachita's only touchdown came late in the final period. Davis kicked three conversions for three tries.

Indians 16—Wildcat's 7

The Tribe, again led by all-state halfback Roger Hampton, narrowly escaped a powerful Lake Charles eleven on their home turf. Fair Park scored first but Lake Charles came back strongly and knotted the score at 7 and 7. The game was a see-saw battle mostly in midfield then until late in the first half when Fair Park moved into scoring territory and Davis kicked a field goal to make the score 10-7.

Both teams came back strongly in the second half but neither was able to push over another tally until about midway the final period when Hampton crossed the double stripe for the last six-pointer of the game.

Fair Park 41—Bossier 18

Fair Park, after losing to Byrd, was in a tie with Bossier for the North Louisiana crown. The Bearcats, for the second time this year, invaded the wigwam but were ambushed from the opening kickoff. The Green and White clad lads however managed to get the first tally but found their next two were practically useless in the way of ending on the long end of the score. The Indians practically scored at will with the stars again being too numerous to mention individually. Bossier made a good showing though in their first year of double A ball.

Fair Park 53—Neville 6

The Indians, being far the superior team, insisted on running the show and about all the Bengals from Monroe could do was string along with them. Stars from the Tribe were too numerous to mention but that little package of dynamite, "Red Rod" Hampton, again stole the show by scoring three touchdowns. The Braves scored 14 points in the first period, 13 in the second, 19 in the third, and 7 in the fourth. Neville's lone 6 came in the second quarter.

You have to be quick to catch Hampton.

Tribe Suffers Upset of Year Against Byrd
The Indians, taking the field heavily favored, were perhaps looking for an easy victory against the Yellow Jackets. As was expected, Hampton scored early in the first period and Stinson ran the ball over for the extra point but that was the sum total of the Tribe's scoring.

Fleet halfback Jimmy Minor for the Byrd crew took advantage of two quick opening line plays and tallied both of Byrd's touchdowns in the second quarter. After both conversions were made the score stood at 14-7 and that was the way it ended. Both teams fought hard in the second half but it was mostly an evenly matched battle in mid-field.

Fair Park Takes Third Conference Tilt From Bossier

The AP scribes over the state picked the west side lads from the teepee a 22-2 choice over Bossier's roving Bearcats. Both teams entered the scrap with a won 6 lost 1 record. But the Indians, led by Big Chief Hampton, lived up to the prediction and tallied two touchdowns in the first half and one in the second in downing the green and white clad eleven 20-7. The Fair Park crew were behind only once, that being in the first half, but came right back to grab a 13-7 lead. After that they were never headed although Bossier put up about as good a fight as any opponent thus far.

Indians Take "Slush Bowl" from Terrebonne Tigers

The Fair Park crew played in one of the muddiest games in the history of the school. But the Indians managed to play a clean game of football and came out on the long end of a 26-13 score. Big Tommy Davis was the mainstay in the Indians' offense and also the blockade in the Black and Gold defense. Stinson and Hampton also broke into the clear for several long gains. The game enabled the Braves to play for the Louisiana State AA Title.

Istrouma Humbles Fair Park 19-7 To Take State Title

For the second time this year and for the fourth time in two years the Indians from Istrouma have downed the Indians from Fair Park 20-7, 20-13, 20-7, and 19-7 respectively. This year's title contest might not have been the same story had hardcharging fullback Tommy Davis been able to play. But Davis' knee was injured in the Terrebonne game the previous week.

Istrouma almost completely dominated the game although they scored only three times. Fair Park muffed one scoring opportunity and made good of another for their only tally. Istrouma however played a very clean and hard game. The winning team were truly champions.

In the first meet of the season the Indians placed third. In the Northwestern Relays they climbed to second spot. In the Haynesville Invitational and Tri-State meets the Tribe also placed second. The jinx was broken in the Southwestern Relays however as the thinclad boys took the meet with

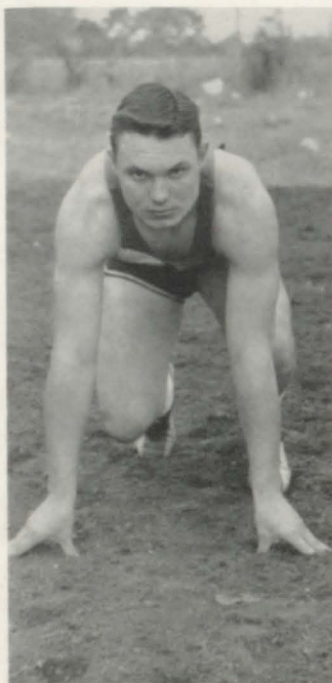

a total of 48½ points. The North Louisiana title meet was a duplicate of the previous meet with the exception of the total points which was 72. The Tribe wound up the running season by placing sixth out of fourteenth at the state meet.
